### Update on Parish Hall Door Repairs

The doors to the parish hall are 16 years old and the hardware is worn out. We are in the process of getting bids to replace the four front doors to the hall with high quality fiberglass doors. In the meantime, Mike Edwards has made several critical repairs to extend the life of the present doors until we can get the new ones installed. We thank Mike for sharing his many talents with the parish!

## FORMED

### Our pick of the week is "Lourdes"

Bernard Guillaumet, a non-Christian French journalist, is assigned the job of doing a story on Lourdes in the late 1990s. Just before he leaves for Lourdes, Bernard learns that his wife is pregnant. However, he is not told that this pregnancy could put

her life at risk--and that doctors are suggesting an abortion.

While researching for his report on Lourdes, Bernard comes across the pages of an old family manuscript.

The manuscript was written by his ancestor, Henri Guillaumet, a positivist scientist and nonbeliever who met Bernadette at Lourdes in 1858, a meeting which profoundly affected Henri and forced him to reconsider the miracles performed following the apparitions of the Madonna of Lourdes. One of the most important miracles H. Guillaumet had to reconsider was the healing of his wife Claire, who had been on her death bed as a result of tuberculosis, and was completely restored by the miraculous waters of the grotto in which Bernadette saw Our Lady.

This intriguing film uses the pages of the manuscript to trace the stories of three lives—Bernadette, Henry, and Bernard—three characters whose lives intertwine as they pursue parallel journeys according to the designs of Providence. Directed by Lodovico Gasparini (St. John Bosco, Don Matteo), stars Alessandro Gassman, Angele Osinski, and Sydne Rome, and written by Vittorio Messori (The Ratzinger Report).
