Formed

Our pick of the week is *Restless Heart*. Filmed in Europe, this first full-length feature movie on Augustine uses a historic backdrop to tell the true story of one of the Church's most beloved and well-known saints. Its message of sin, conversion, and redemption is as timely today as it was in the fifth century. It is the story of a gifted man who pursues fame and fortune without a moral compass-and the dramatic changes that occur in his soul when challenging events lead him to see the light of truth. It also chronicles the collapse of the Roman world and how Augustine laid the intellectual foundation of what would later become Europe. Alongside Augustine, the stories of two other great saints, Monica and Ambrose are also portrayed.

This movie is not rated, but was created with an adult audience in mind. It may contain intense scenes indicative of the life and times of the saint or character portrayed. We would recommend parental guidance and that parents preview it before watching with children.
